

CREATIVE ABSTRACT COMPETITION

ISIE 2023 Leiden

It is our pleasure to invite the researchers who are presenting at the ISIE 2023 to think about their research creatively and communicate it in a new way by producing a creative abstract.

The Creative Abstract Competition is a satellite event of the 11th International Conference on Industrial Ecology that will take place between the 2nd and 5th of June in Leiden.

The creative abstract can be presented in the following formats: text, image, video, audio, or a physical piece.

Winners will be elected by the ISIE attendees during the conference.

Submission deadline

23rd of June
